Globelink Ünimar - Vision Meeting 2019

At the beginning of each year, Globelink Ünimar would organize a Vision Meeting to share the vision and work plans for the new year with all the staff in the company. This year, the meeting was held on 16th February at Hilton Istanbul Kozyatagi and the motto of the year is "Happy Employee, Happy Customer".

During the meeting, there was a sharing session on the achievements of the past year, as well as the anticipation for the year ahead with the goals and expectations set for 2019. The vision of Globelink Ünimar in 2019 is "Unity of purpose, total quality service, customer satisfaction, solution-centered approach, professional team taking initiatives experienced, inspired, endowed with know-how, cooperate structure, adaptation of new trends and skills in the sector and being the standard-setter of logistics sector." The management strongly believes that the company's success depends on having a solid vision for the future and it is important to keep everyone aligned on the same goals.

Globelink Ünimar Receives ISO 28000:2007 Certification

Globelink Ünimar is proud to announce its accreditation for ISO 28000:2007 and further demonstrate that they are contributing significantly to supply chain security.

This certification is also a recognition of their commitment to provide and maintain a secure management system to ensure the overall safety of customers' goods.

Globelink Ünimar aims to determine the needs and expectations of their customers, by providing unconditional customer satisfaction. Their customers worldwide will have greater peace of mind with the adoption of stringent security-based processes.

Globelink Ünimar's Social Responsibility Movement

International Women's Day

International Women's Day is celebrated on March 8 every year. It is a focal point in the movement for women's rights. As part of Globelink Ünimar's social responsibility initiative, they proudly contributed to the future of strong women by supporting the Scholarship Project titled "I have a Daughter in Anatolia, she will be a teacher".

The management of Globelink Ünimar is committed and passionate about giving back to society. Therefore, this movement was initiated to give positive impact to the local community and touching people's lives.

Within the scope of the project, Globelink Ünimar will be supporting the one-year education costs of three young girls in Anatolia (Asian portion of Turkey).

Globelink Ünimar started our business in 1994 and we are looking forward to celebrate our 25th year in 2019. This year has been a reflection on how far our company has come, the family it has created, and the relationships we have built with our customers over the these years.
