HIGHLIGHTS

Globelink Fallow offers wholesale international shipping services to the UK shipping industry, specialising in container LCL (Less than Container Load) and FCL (Full Container Load) services.

After 26 years of business, we are now part-owned by CWT Globelink of Singapore, whose global network includes over 100 offices in 32 countries.

The emphasis has always been on 'Service' and the company aims to employ experienced staff on all of its export departments and is constantly striving to maintain the high standards that have been set since the company's foundation in 1989.

Globelink Fallow is committed to providing our customers with efficient and cost-effective shipping solutions in a global market of trade.

One of our core strengths is the speed and accuracy of the shipping documents we produce for each shipment, which in turn enables our clients to pass the same high quality service to their UK exporters and overseas agents.

IT CAPABILITIES

Quick Quote (Online Quotation & Booking Tool)

Following a simple registration process, you will have access to our 24/7 on-line service which provides fast and efficient Export groupage rates.

Rates are constantly monitored by us and are therefore guaranteed to be current at all times.

Using intelligent database technology the service will offer rate reductions based on a number of unique factors enabling you to obtain competitive rates.

You can then convert your quotations into automated bookings or alternatively you can make bookings completely from scratch.

This service is fully integrated into our operating system ensuring that data replication and therefore errors are minimised.

Quotations and Bookings are recorded and retained under your login for your future perusal.

GL ÜNİMAR WINS AT THE TURKEY ATLAS LOGISTICS AWARDS

Atlas Logistics Awards Raised in the Hands of the Industry for the 12th Time

The award ceremony of the "Atlas Logistics Awards" competition, which has been going on for 12 years, was held on 11 November 2021, hosted by the International logitrans Transport Logistics Fair organized by EKO MMI Fairs in Turkey.

There are 26 awards given out in the award ceremony, and we are proud to announce that Globelink Ünimar received the award for International Freight Forwarders (R2/TİO)!

There were evaluations in 5 categories in the branch of services based on transportation documents. The award evaluation results for document-based services of the competition, where only one award was given to each company in the same category.

We would like to congratulate Globelink Ünimar on the amazing success!
